- Universidad Santo Tomás, Santiago, Chile — Exchange office internship • Jul 2019 – Dec 2019
- Working Holiday, France (~11 months) • Sep 2016 – Jul 2017
- USMC Engineer School, Camp Lejeune, NC — 5-month training • May 2010 – Oct 2010

Work Experience

Director (Board Member)

Mar 2025 – Present

Software Liberty Association of Taiwan (SLAT)

Research Assistant

Sep 2025 – Present

Wenzao Ursuline University of Languages, NSTC-funded Research Project · Kaohsiung

- Support academic researchers in project execution, data management, and external coordination
- Serve as communication bridge between the research team and institutional partners

Project Coordinator (Former)

Oct 2023 – 2025

Open Culture Foundation (OCF) · Taipei (Remote)

- Planned, executed, and tracked multiple concurrent domestic and international projects; produced reports, presentations, and deliverables
- Coordinated across government agencies, academic institutions, industry partners, and international organizations, including direct work with Taiwan's Ministry of Digital Affairs
- Managed cross-organizational teams, external partners, timelines, and budgets; promoted international open-source collaboration and localization of technical documentation

Representative projects: 2023–2025 Digital Tools & Open Source Software Survey — Ministry of Digital Affairs · 2024 Open Source Alternatives Planning — Taipei City Government Dept. of Information Technology · 2025 International Grant Project — Open Tech Garage

Open Source Policy Track Coordinator (Volunteer)

2024 – 2026 (three consecutive years)

COSCUP Open Source Conference

- Coordinated program planning for the open-source policy track, bridging civic tech communities and policy discussion spaces

Program Assistant — USR (University Social Responsibility) Initiative

Feb 2020 – Dec 2022

Wenzao Ursuline University of Languages · Kaohsiung

- Executed cross-sector projects and events across higher education, healthcare, civic organizations, and INGOs
- Managed documentation, progress tracking, and external communication for a multi-year program

Representative projects: Standardized Patient Training (with Kaohsiung Veterans General Hospital) · Vietnamese cleft lip/palate care video translation (with E-Da Hospital) · English winter camps

Additional Experience

- Research Assistant, E-Da Dachang Hospital · Nov 2022 – Oct 2023
- NGO Chapter Secretary-General, Wenzao Zonta Youth Club · Sep 2021 – Jun 2022
- Teaching Assistant, Wenzao Ursuline University · Sep 2018 – Dec 2022
- Private Tutor, self-employed · Apr 2020 – Jun 2022
- English–Mandarin Translator, Zhuoyang International · Jul 2020 – Oct 2020
- Student Intern, Universidad Santo Tomás, Chile · Jul 2019 – Dec 2019

- Front-line Staff, Weiwuying Center for the Arts · Nov 2018 – Jun 2019

Military Service

2006 – 2016, a decade of service spanning avionics, interpretation, and field leadership

Avionics Technician, P-3C Orion Anti-Submarine Patrol Aircraft

Nov 2014 – Sep 2016

ROC Air Force, 439th Composite Wing · Pingtung

- Maintained, inspected, and troubleshoot avionics systems on P-3C aircraft; resolved in-mission electronic system faults; managed armament equipment
- Completed nine months of advanced technical training under U.S. Navy instructors and contractors (aviation, anti-submarine warfare, avionics systems)

Interpreter / Translator

Aug 2011 – Oct 2013

ROC Marine Corps Headquarters · Kaohsiung / Pingtung

- Interpreted for conferences, seminars, and unit training courses; interpreter for AAV Mobile Training Team alongside U.S. Marine Corps instructors
- Bilateral U.S.–ROC staff training and force assessment interpretation; 2 course translation assignments, 3 U.S. delegation reception assignments

Additional Service

- Shore Engineering Squad Leader, Combat Engineer Company · Nov 2013 – Oct 2014; Apr 2010 – Dec 2010
- Defense Language Institute Student, advanced English program · Sep 2011 – Aug 2012
- Marine Corps HQ Liaison Sergeant · Dec 2010 – Sep 2011
- Amphibious Assault Vehicle Squad Leader · Aug 2006 – Apr 2010
